CREATIVE STUFF

Aleister Kelman, Ryan Beck

Monsters can
scare you.

But, you can scare
monsters too!

Let's learn how
to scare different
monsters.

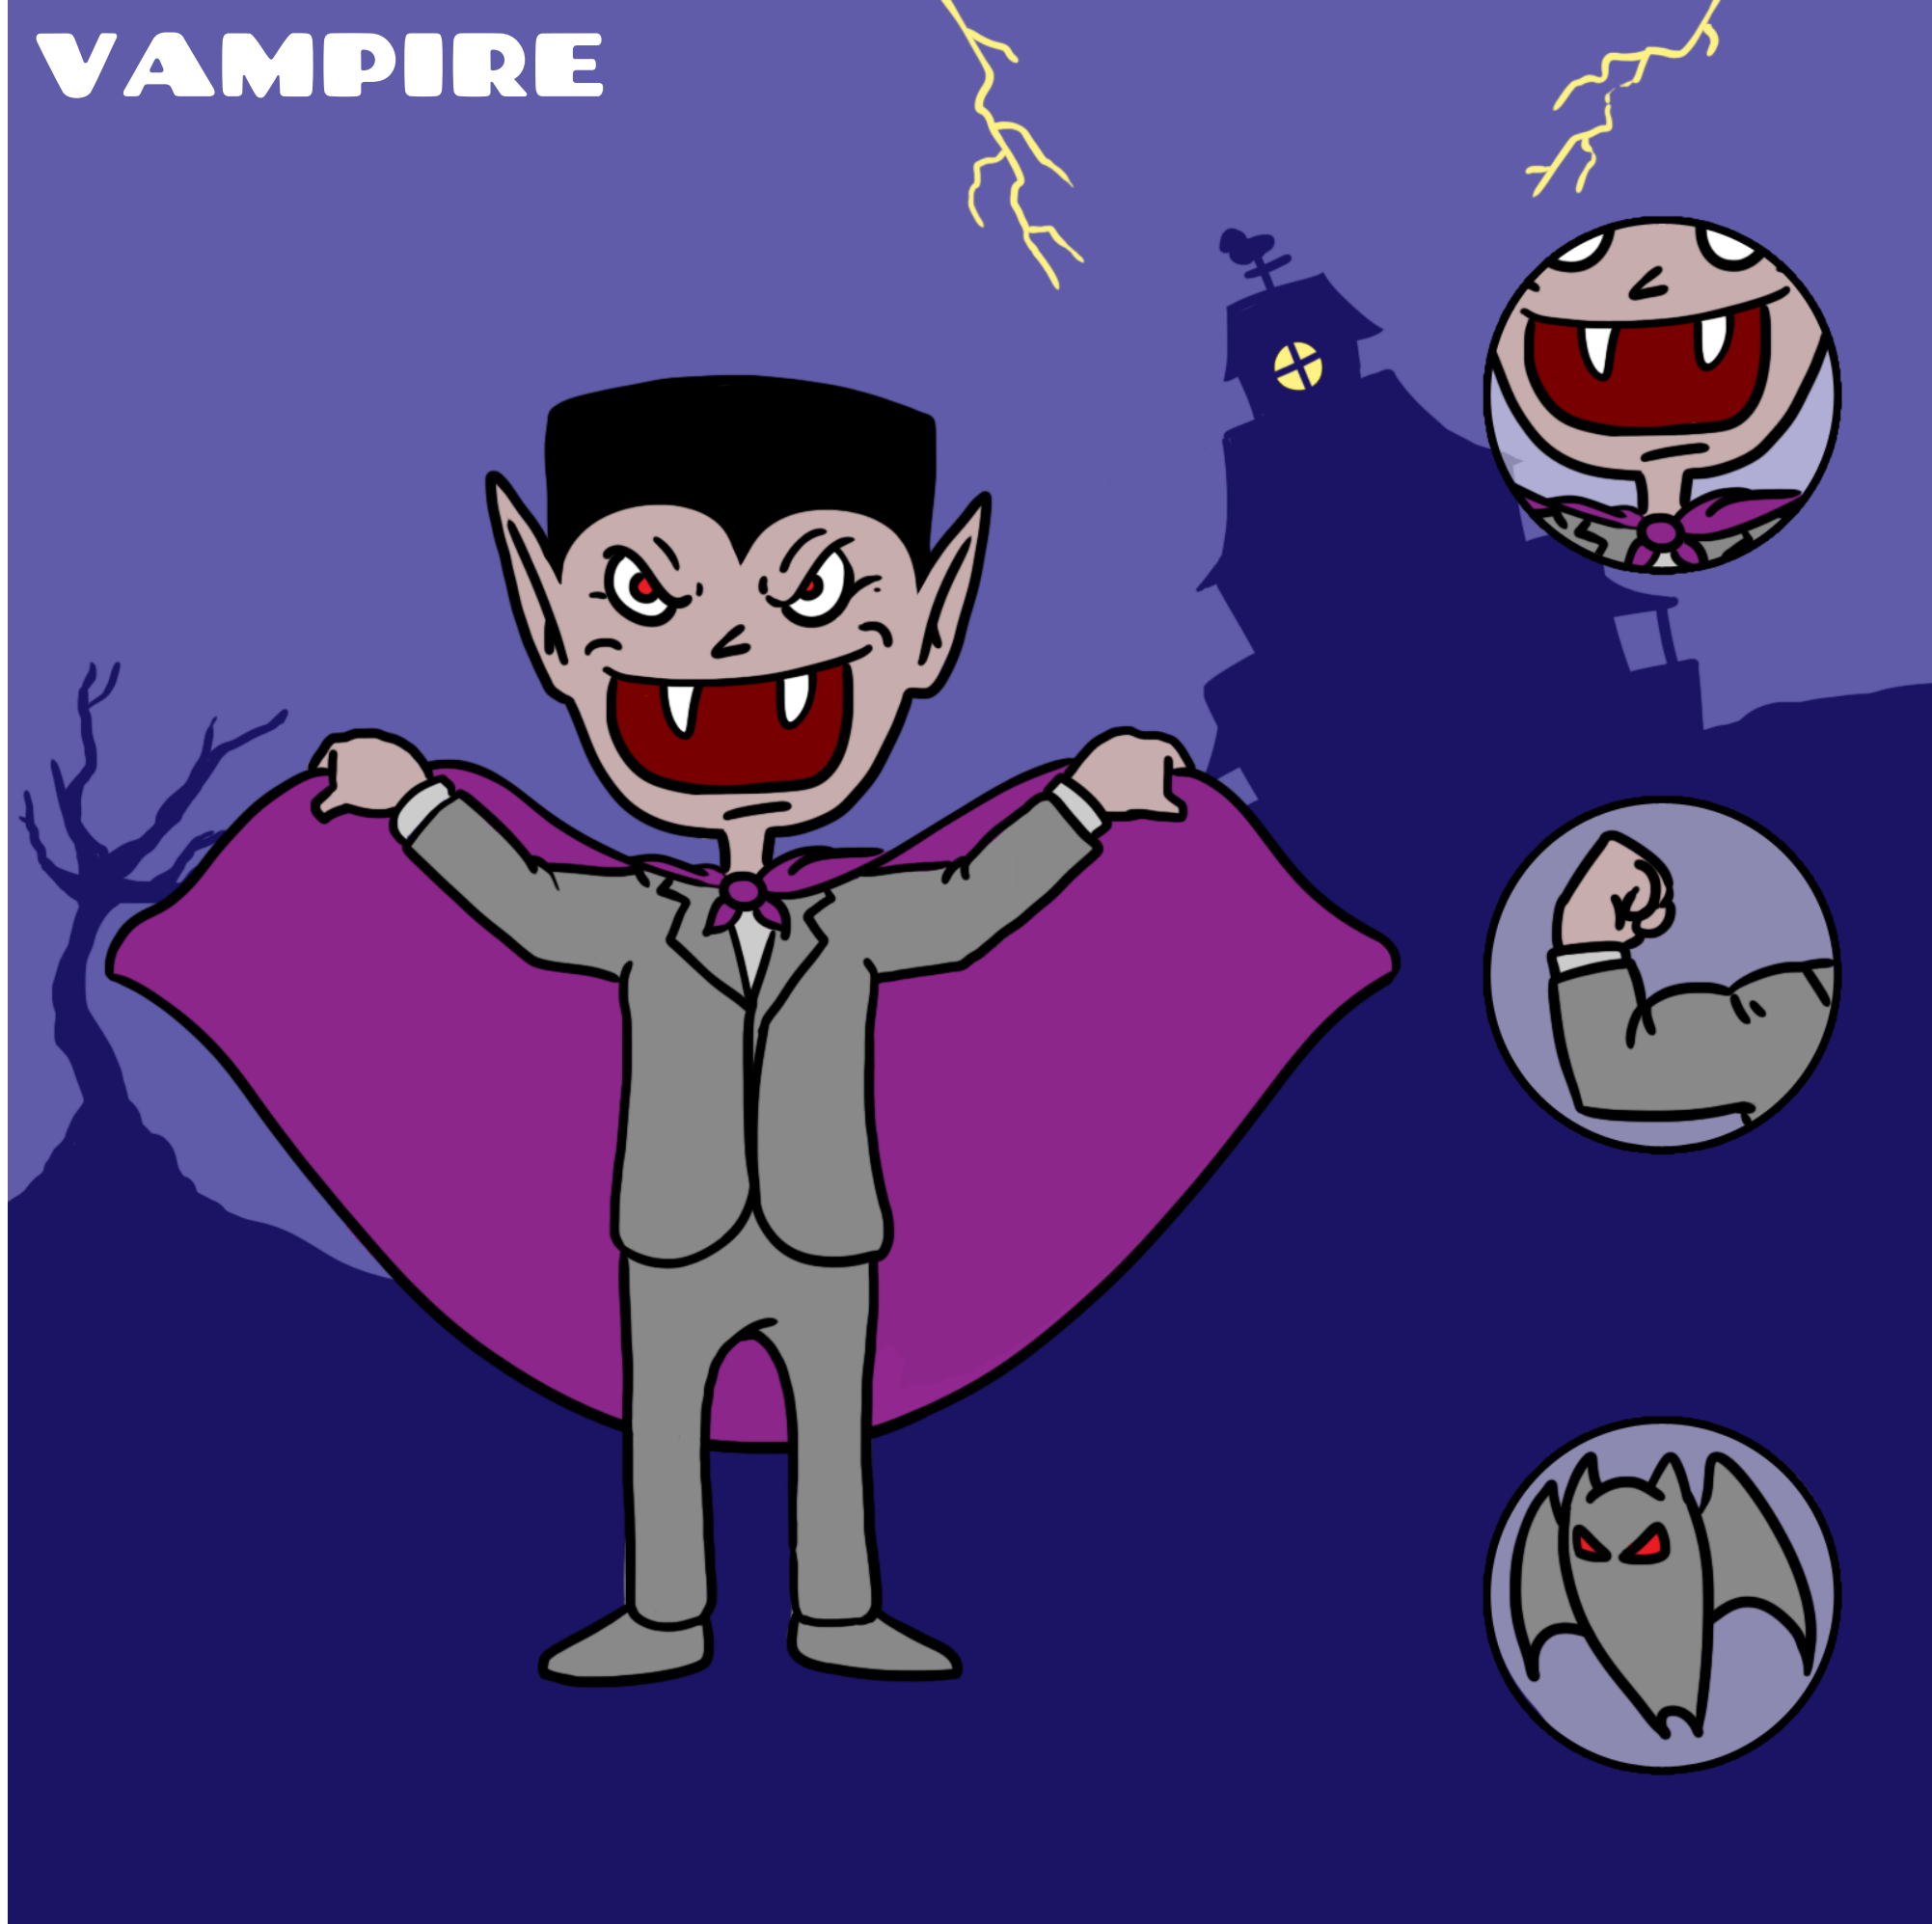

VAMPIRE

Vampires are
scary because...
they drink blood!

They have sharp
teeth and are
super strong.

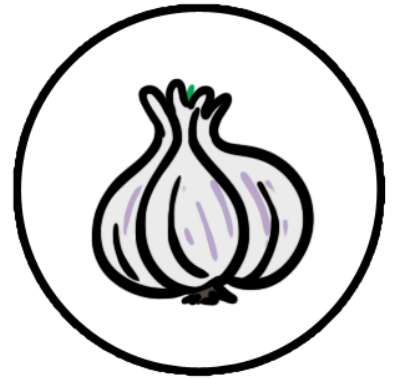

Vampires can
turn into bats
and fly!

Do vampires scare you?

Vampires are
scared of...
sunlight, garlic,
crosses and
vampire hunters.

These things hurt
vampires.

Say, "Vampire, you don't scare me!"

WEREWOLF

Werewolves are
scary because...
they are big,
dangerous
animals.

Werewolves have
sharp teeth and
sharp claws.

They are super
strong.

Do werewolves scare you?

Werewolves are
scared of hunters,
silver weapons,
loud noises and
traps.

These things hurt
werewolves.

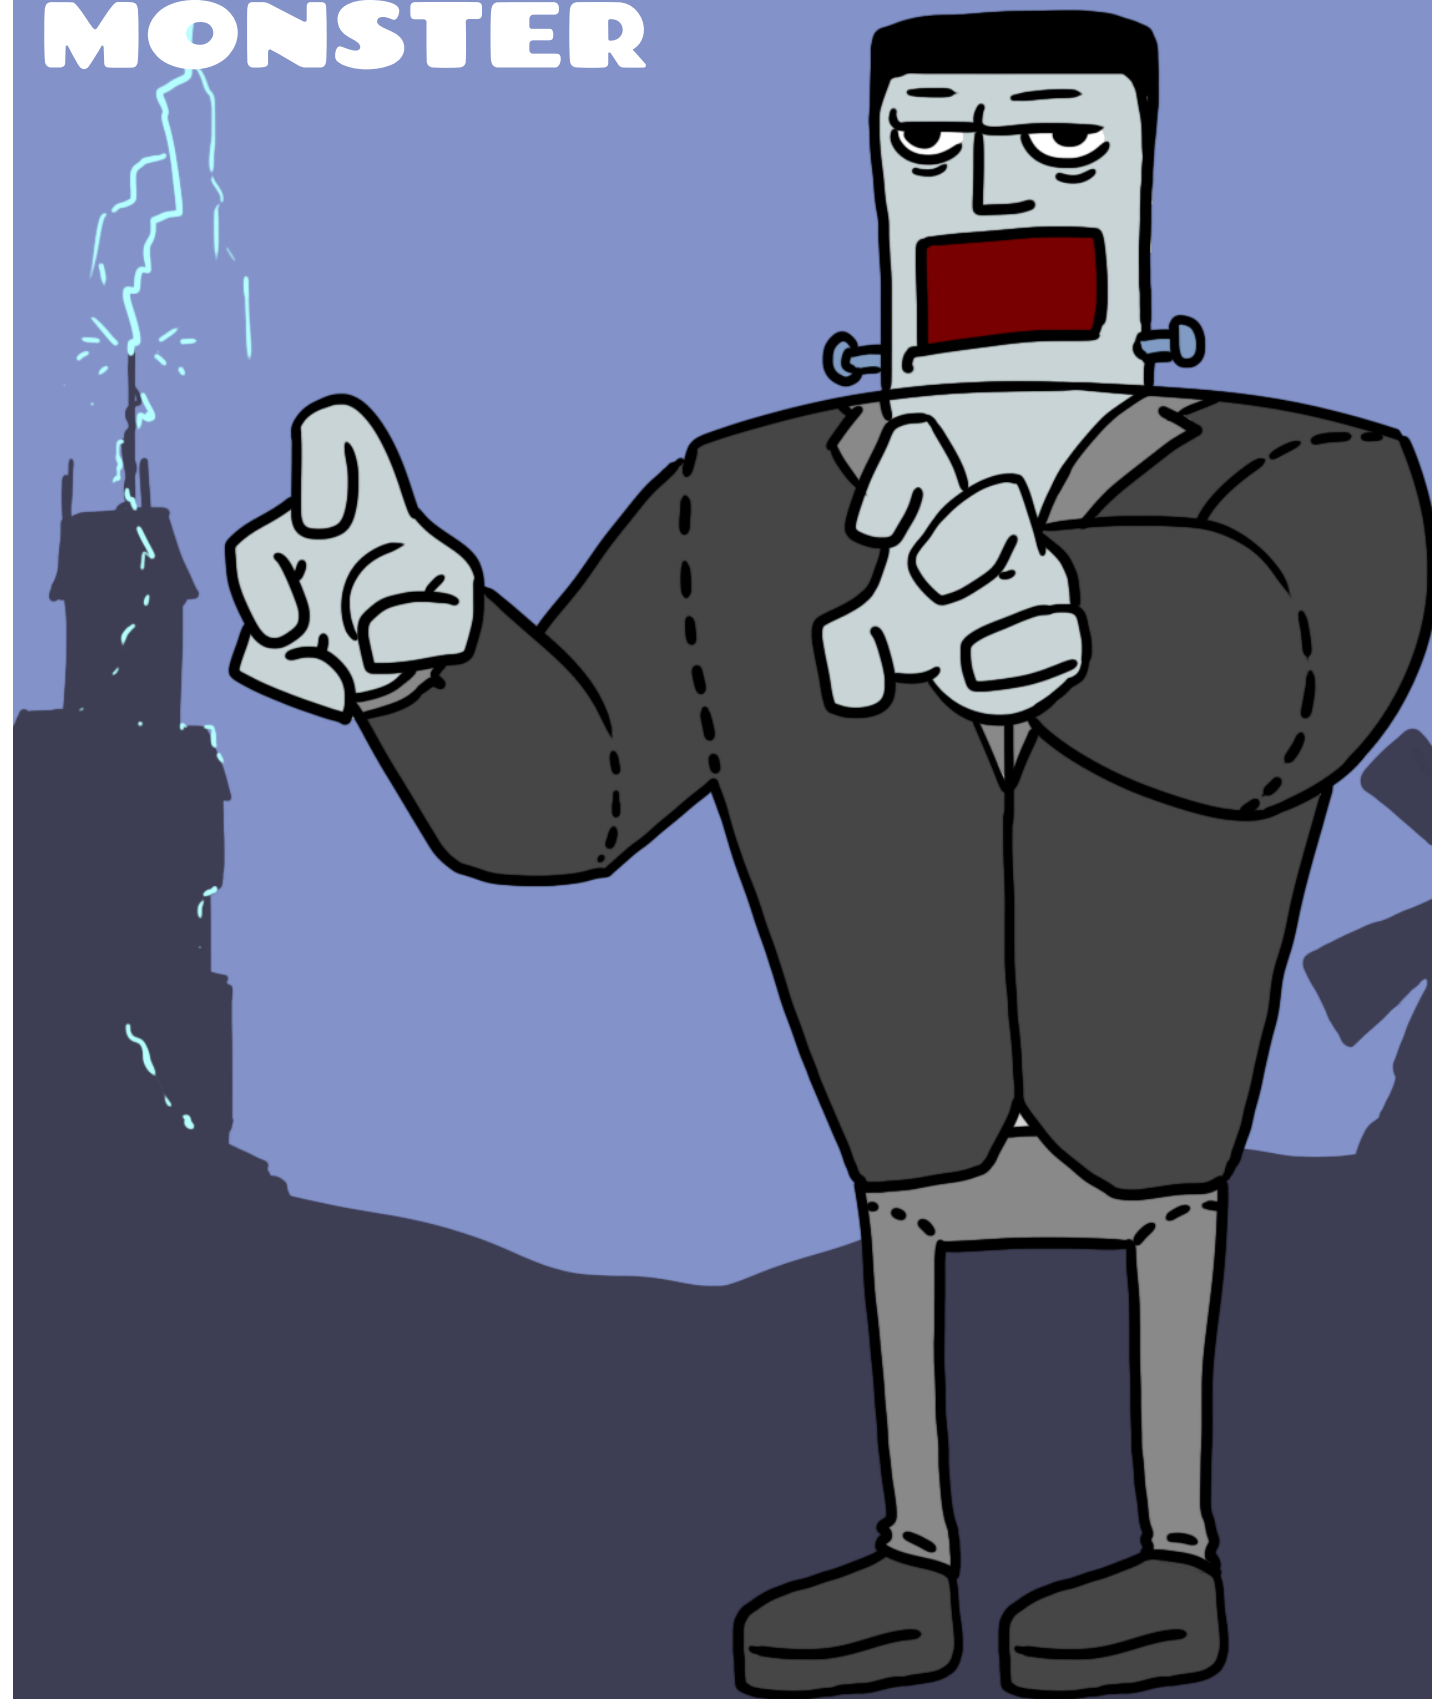

Say, "Werewolf, you don't scare me!"

FRANKENSTEIN'S MONSTER

Frankenstein's
Monster is scary
because...
it's big, strong
and angry.

Frankenstein's
Monster gets
angry easily, and
can hurt people.

It is big and
strong, and it
doesn't feel pain.

Does Frankenstein's Monster scare you?

Frankenstein's
Monster is scared
of...
fire, mobs and
traps.

These things hurt
Frankenstein's
Monster.

Say, "Frankenstein's Monster, you don't scare me!"

WITCH

Witches are scary
because...
bad witches eat
people.

Witches are
super strong.

They can fly on
broomsticks, and
witches know
magic spells.

Do witches scare you?

Witches are
scared of...
mobs, fire and
holy water.

These things
scare witches.

Say, "Witch, you don't scare me!"

MUMMY

Mummies are
scary because...
they eat people.

Mummies are
super strong.

They can control
the sand and
insects.

Mummies can
curse people.

Do mummies scare you?

Mummies are
scared of...
fire, holy water
and losing their
bandages.

These things hurt
mummies.

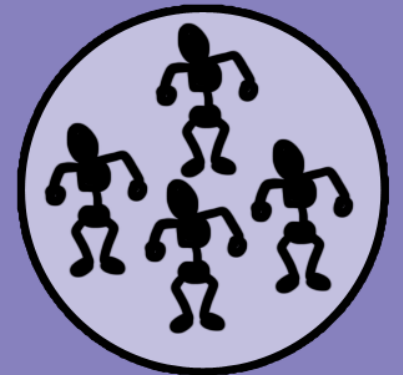

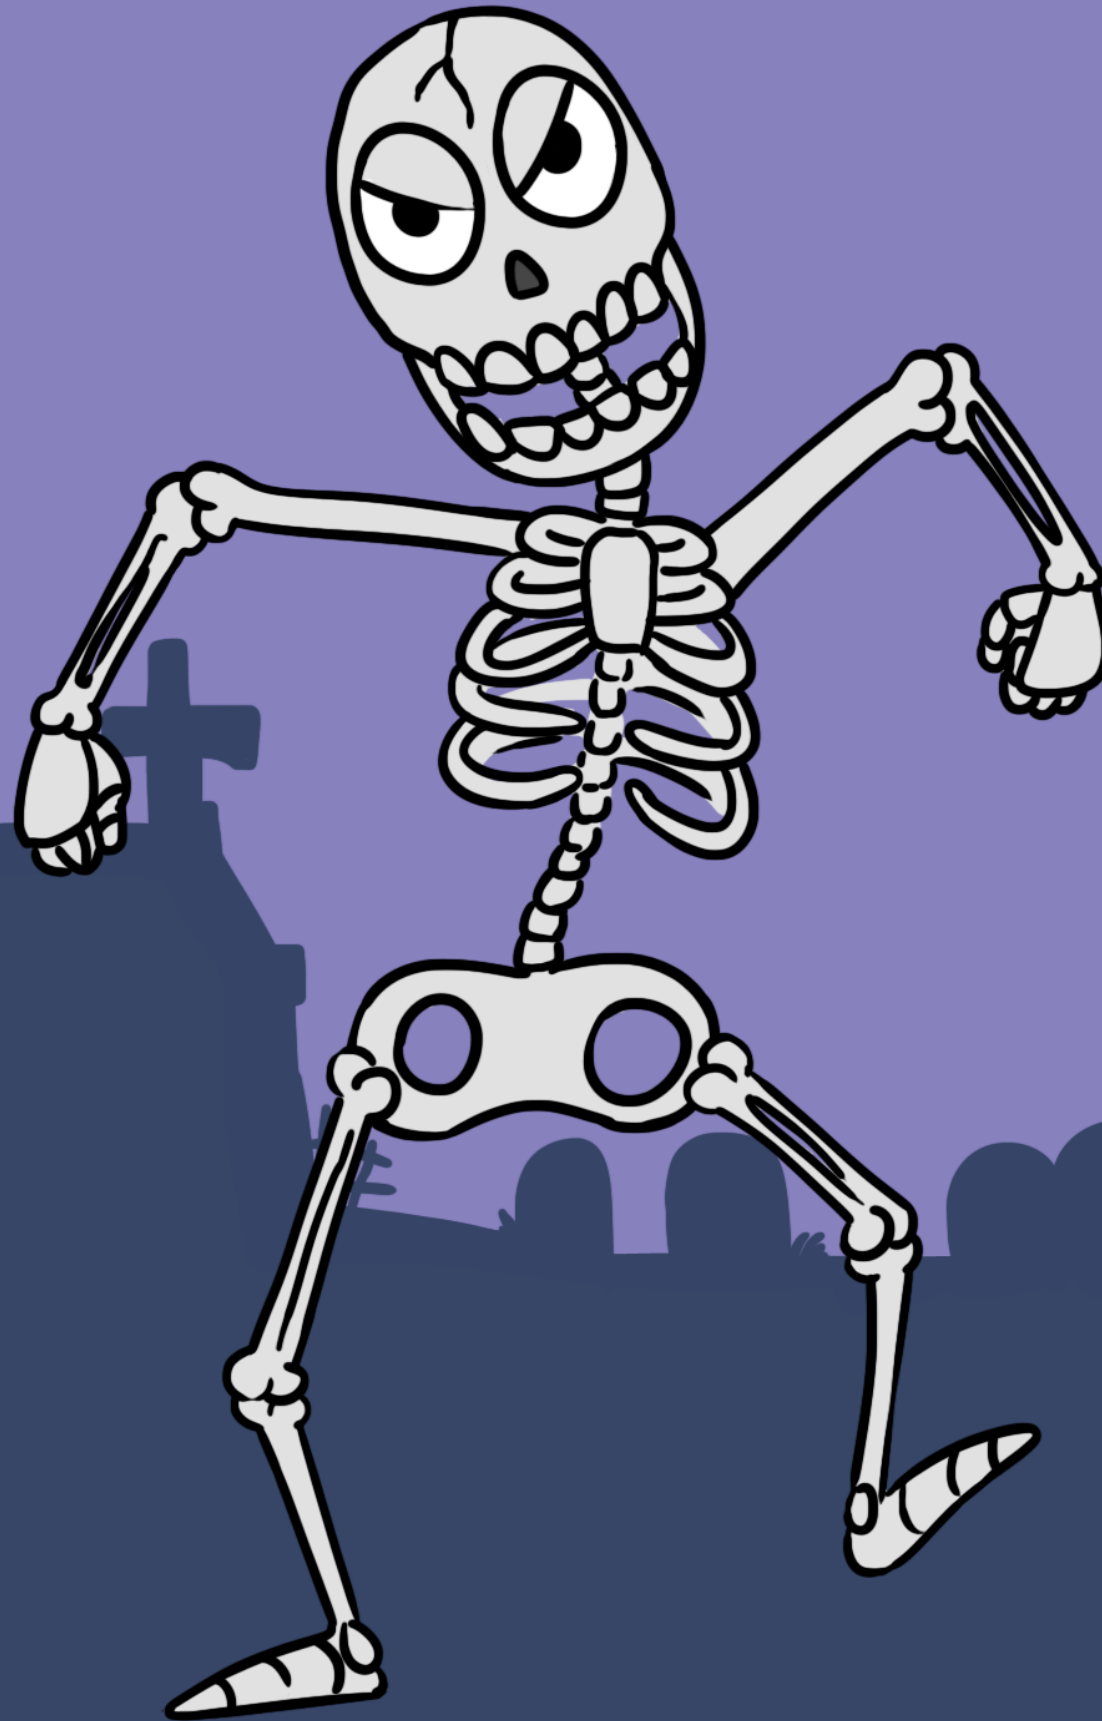

Say, "Mummy, you don't scare me!"

SKELETON

Skeletons are scary because... they can attack people.

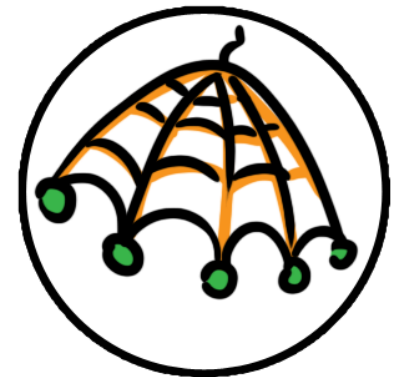

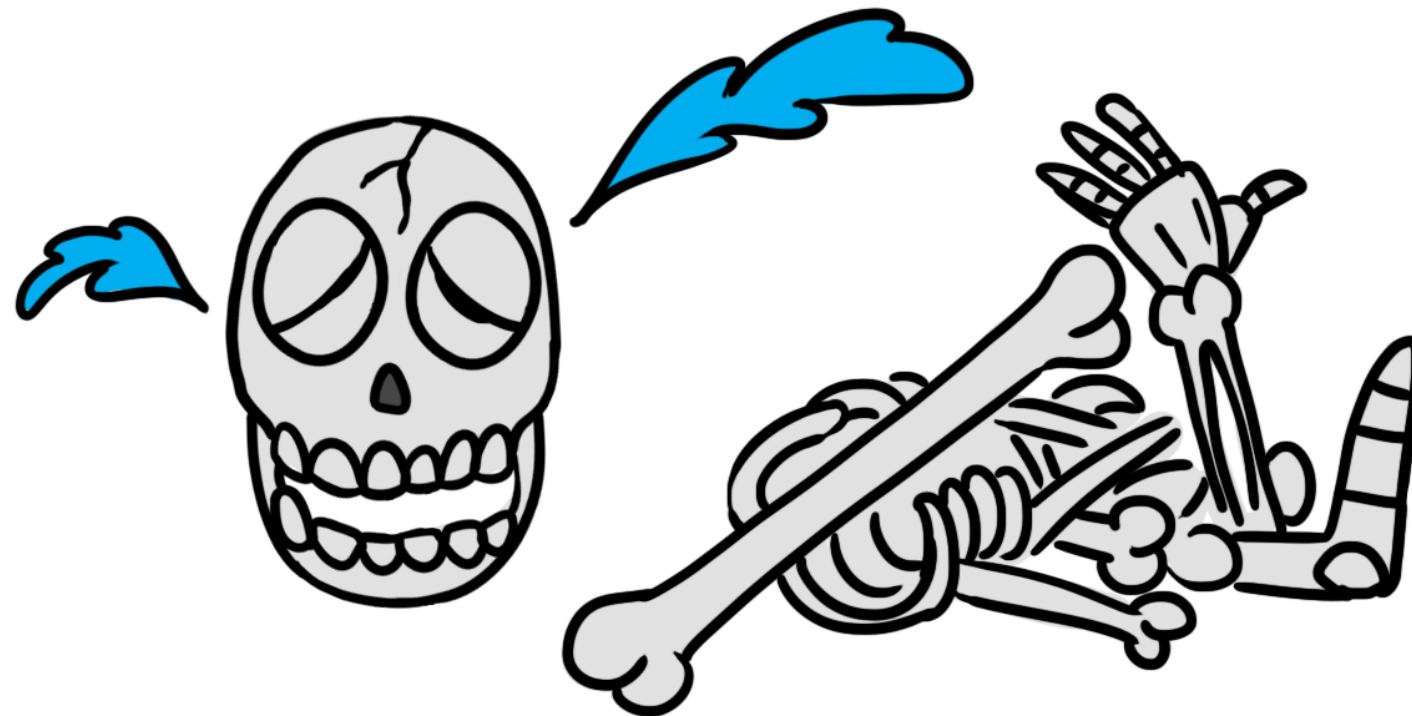

Skeletons are strong in groups, and they have very strong bones.

Do skeletons scare you?

Skeletons are
scared of...
fire, holy water,
nets and mobs.

These things hurt
skeletons.

Say, "Skeleton, you don't scare me!"

WATER CREATURE

Water creatures
are scary
because...
they pull people
underwater.

Water creatures
are super strong.

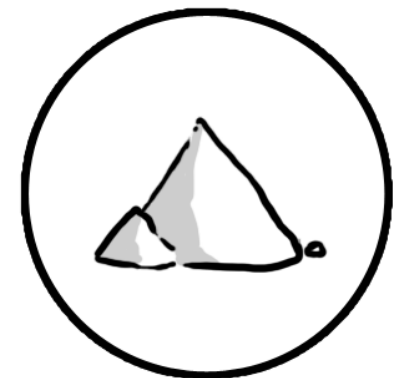

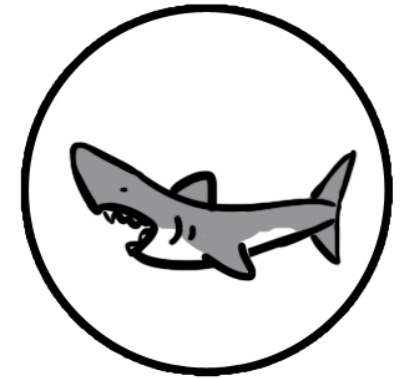

They swim super
fast, and water
creatures heal in
water.

Do water creatures scare you?

Water creatures
are scared of...
fishing nets,
sharks, salt and
the sun.

These things hurt
water creatures.

Say, "Water creature, you don't scare me!"

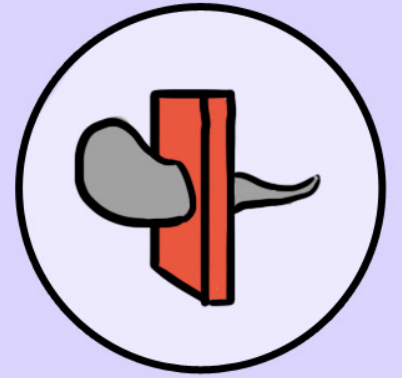

GHOST

Ghosts are scary
because...
they like to scare
people.

Ghosts can pass
through walls, and
they are invisible.

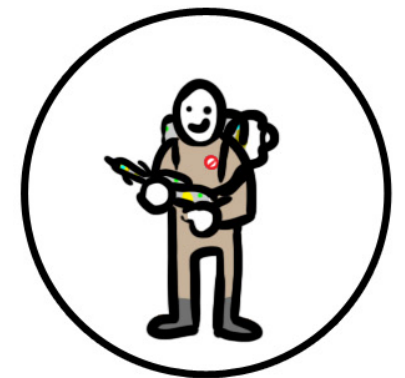

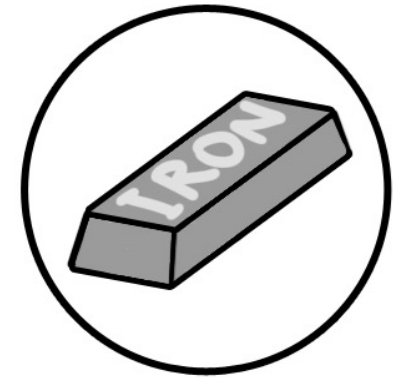

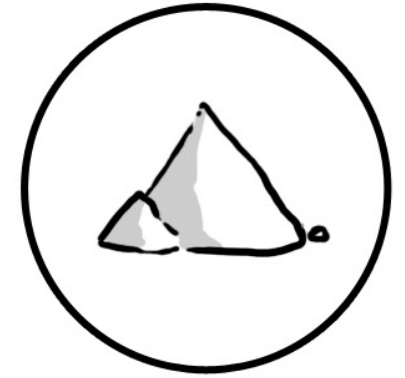

Ghosts scare people
by appearing
suddenly or making
scary noises.

Do ghosts scare you?

Ghosts are scared
of...
salt, iron, holy
water and
Ghostbusters.

These things hurt
ghosts.

Say, "Ghost, you don't scare me!"

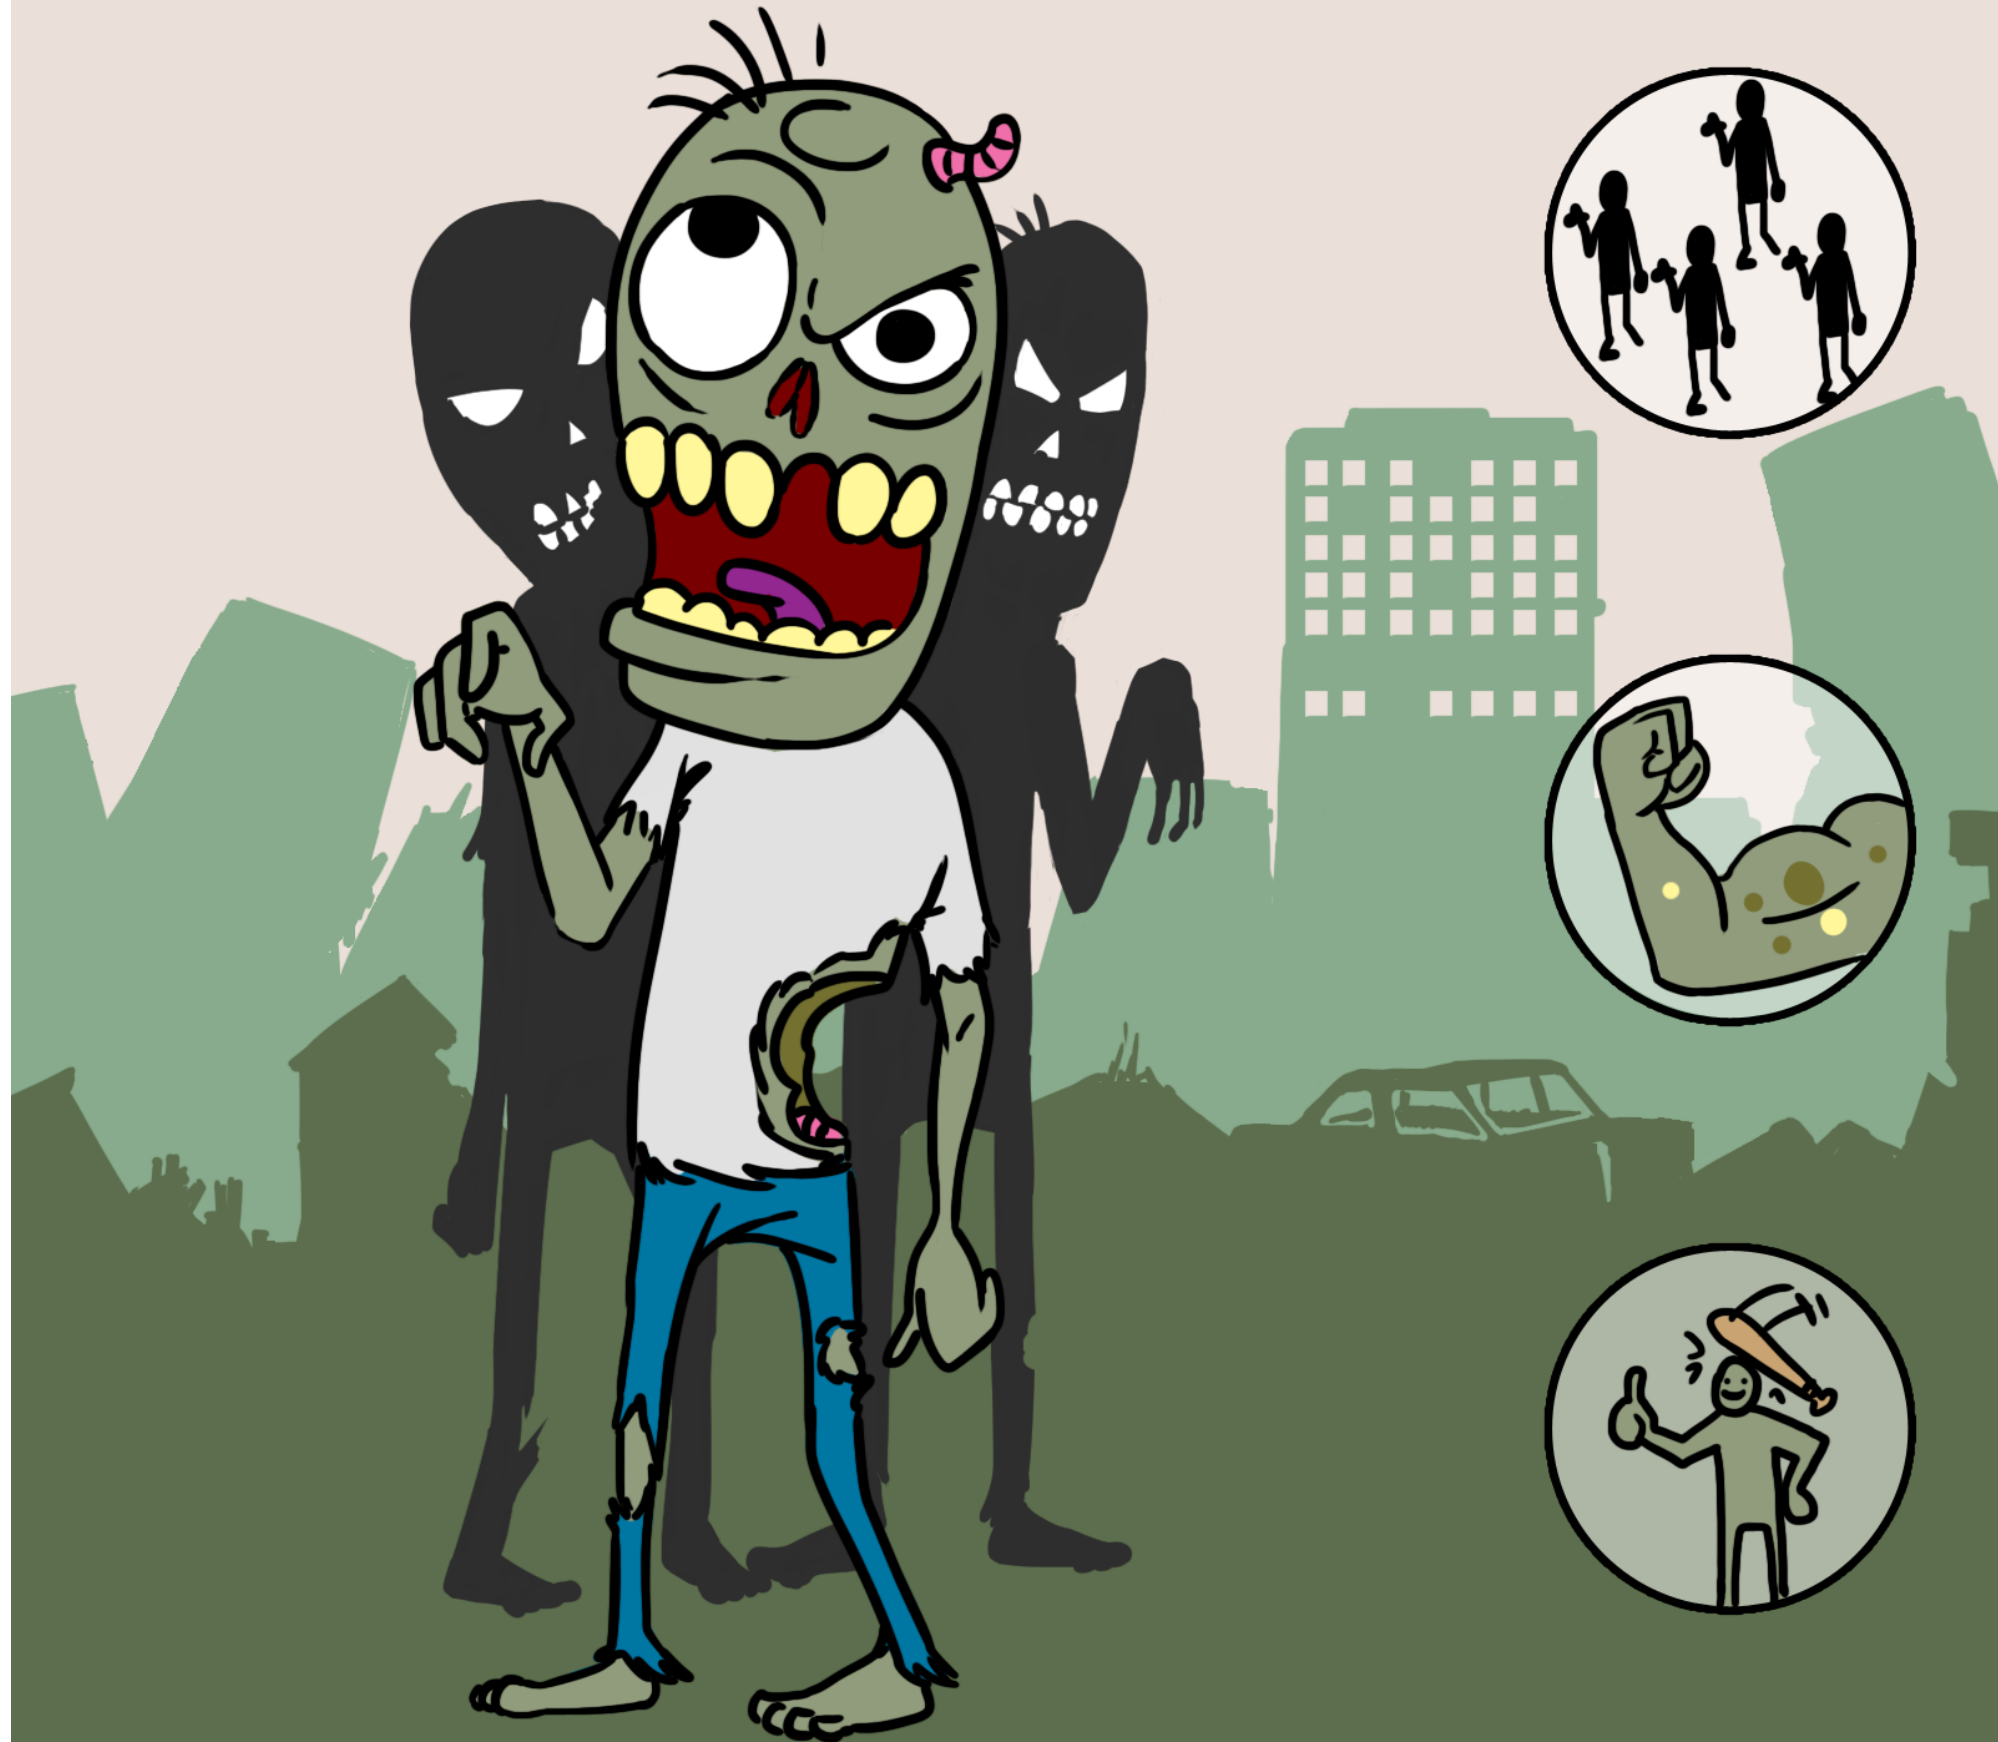

ZOMBIE

Zombies are
scary because...
they bite and eat
people!

Zombies are very
tough when they
are in a group.

They are strong
and don't feel
pain.

Do zombies scare you?

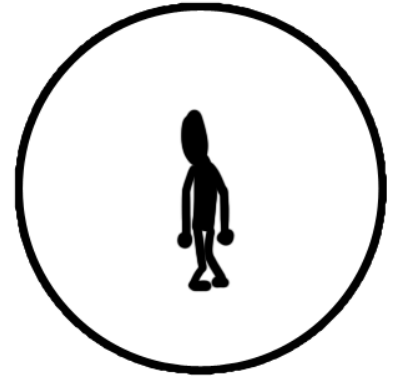

Zombies are
scared of being
alone, things that
hurt their heads,
nets and mobs.

These things hurt
zombies.

*Zombies are very
tough in groups,
but very weak
alone. It is easy to
catch or hurt one
zombie.

Say, "Zombie, you don't scare me!"

DEMON

Demons are scary
because...
they hurt people.

Demons can fly.

They are super
strong, and super
fast.

Do demons scare you?

Demons are
scared of...
crosses, holy
water and demon
hunters.

These things hurt
demons.

Say, "Demon, you don't scare me!"

More Halloween Tips:

1. Wear a scary costume!

2. Make your jack-o-lantern very scary!

3. Don't let a black cat walk in front of you!

4. Say "trick or treat" to get your treats, and don't forget to say "Thank you, and Happy Halloween!"
