

RED CAT READING

Phonics Assessment

INSTRUCTIONS

Red Cat Reading has 10 levels of phonics books for ages 3-5. Each level builds upon the last, only introducing new words when your child is ready!

Step 1. Help your child to start reading at Level 1 (page 1).

Step 2. Keep reading one level at a time until your child starts to struggle with the words.

Step 3. Go back down one level. This is the level your child should start reading at!

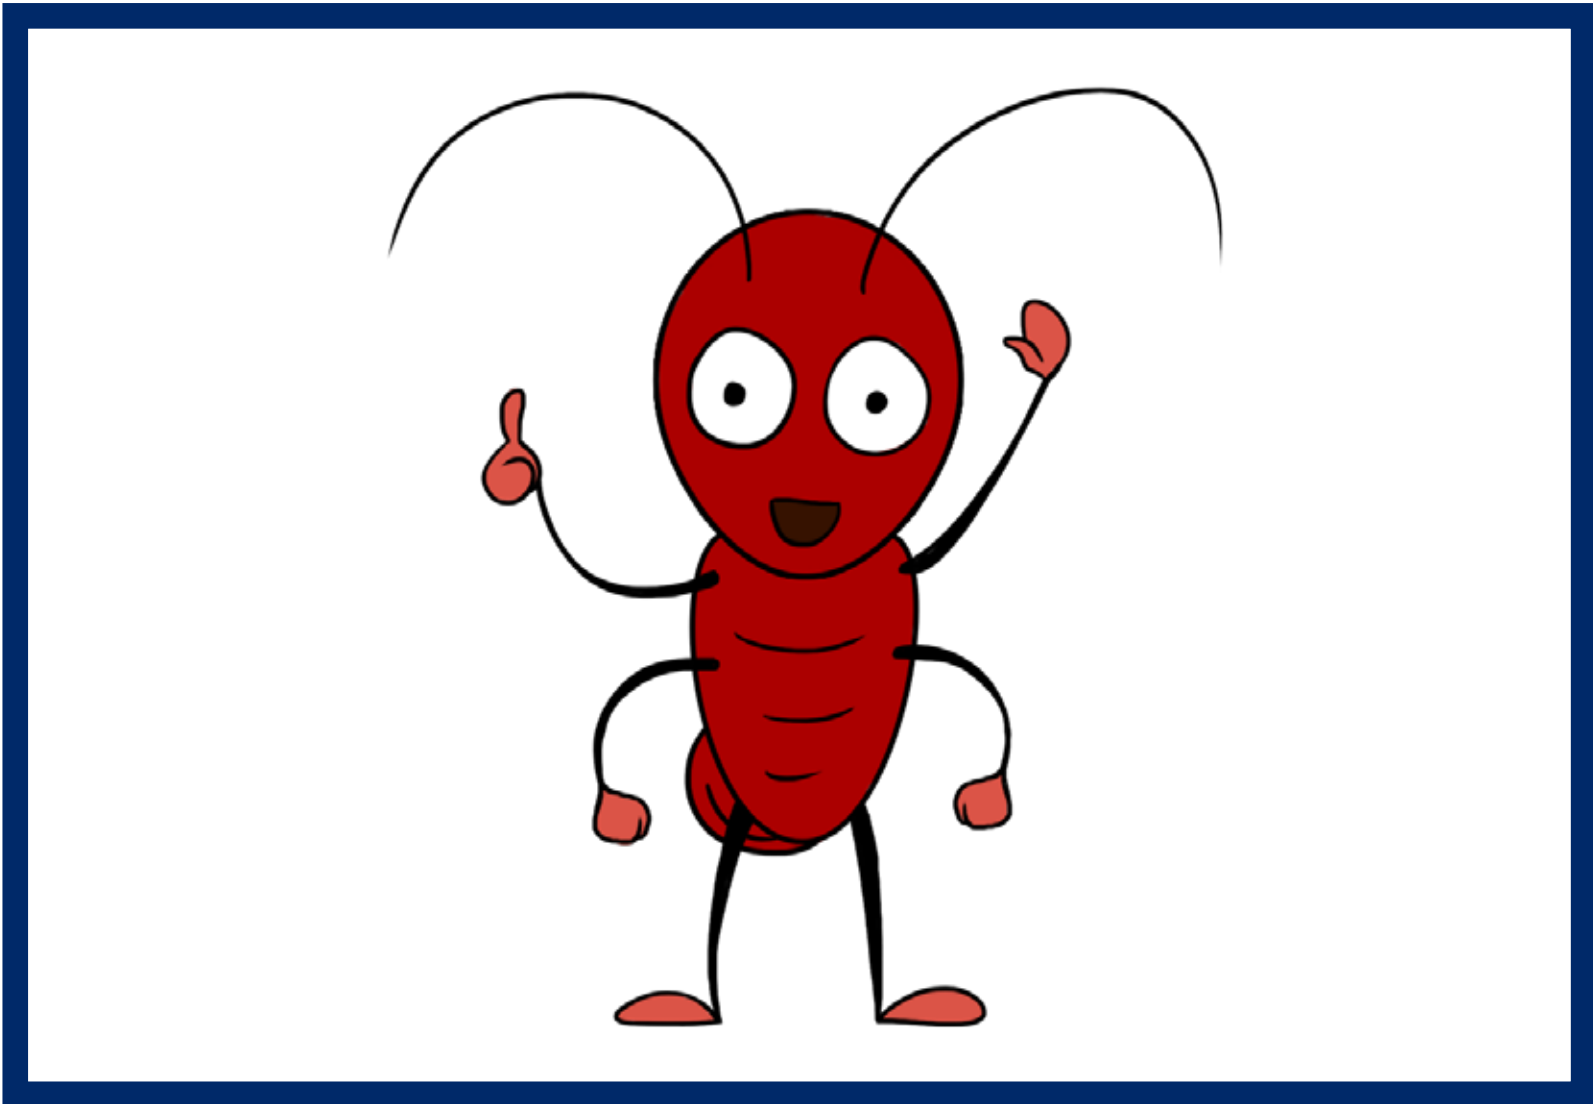

Step 4. Sign up for an account at redcatreading.com and help your child start reading at his or her correct level. You'll find our leveled classes under the "All Classes" tab.
